## Our Philosophy

At Maroubra Junction Before and After School and Vacation Care Centre, we provide a safe, supportive and inclusive environment with a keen sense of fun, where all stakeholders are equally valued and respected.

We firmly believe that play is an integral and multifaceted aspect in fostering positive physical, cognitive, social and emotional outcomes for children. The fundamental practice of our service is to provide the children in our care with freedom of choice, the right to play and an opportunity to have their voices heard and reflected in our program.

Our educators are committed to equity and recognise that all children are unique individuals. In our service, we actively encourage the children to try new experiences, which help to build on individual skills, interests and abilities, bolstering a strong sense of wellbeing. The educators at our service support children to ask questions and voice their thoughts and opinions. This assists to promote confident and involved learners, effective communication skills and to support and maximise the children's ongoing learning and development.

We strongly value the partnership that is built between children and educators through discussion and the provision of opportunities for the children to exercise their autonomy, explore their sense of identity and make the choices and decisions on events that influence and shape their world. These holistic approaches allow us as educators to collaboratively shape the pedagogical framework from which we educate and make child-centred curriculum decisions to enhance the learning experiences for all children.

As educators we respect and acknowledge different family practices, values, backgrounds and cultures, and strive to cater for and embrace a range of diverse needs accordingly. We offer all children the chance to appreciate and celebrate the diversity between cultures, in the interest of promoting connectedness, understanding and contributing to the world in which we live.

At our service, children value and learn about the natural world and take pride in caring for the outdoor environment and learning about sustainable concepts.

We value the link that families and the broader community play in our service and endeavour to continue to maintain positive and collaborative relationships with all stakeholders. Furthermore, we will continue to actively support and contribute to local and global community initiatives.

## Vacation Care Fees

Vacation care fees are charged at a flat fee per day including all excursion and activity costs. The *Child Care Benefit (CCB)* and *Child Care Rebate (CCR)* is applied to all costs incurred.

Vacation care is charged at:

**\$45 /day per child**

Including all excursion/activity costs

## Priority of Access

Sometimes, there may be a waiting list for child care services and to ensure the system is fair, the Australian Government has “Priority of Access Guidelines” for allocation of places in these circumstances.

The guidelines only apply to Child Care Benefit approved child care. They are used when there is a waiting list for a child care service or when a number of parents are applying for a limited number of vacant places.

Every Child Care Benefit approved childcare service has to abide by the guidelines and tell you about them when you enrol your child into care.

### **Priorities:**

- First Priority: a child at risk of serious abuse or neglect;
- Second Priority: a child of a single parent who satisfies, or parents who both satisfy, the work/training/study test under Section 14 of the *‘A New Tax System (Family Assistance) Act 1999*;
- Third Priority: any other child.

Within these main categories priority should also be given to the following children:

- Children in Aboriginal and Torres Strait Islander families;
- Children in families which include a disabled person;
- Children in families which include an individual whose adjust taxable income does not exceed the lower income threshold of \$43,727 for 2015-2016, or who or whose partner are on income support;
- Children in families from a non-English speaking background;
- Children in socially isolated families; and
- Children of single parents.

## Our Booking Process

To book a place for vacation care, you must complete the attached booking forms (along with an enrolment form if this is your first time at the centre) and return these by **Friday 10<sup>th</sup> June 2016**. No forms will be processed until this date. Once we have processed forms according to priority of access guidelines, email confirmations will be sent out.

Please note: Bookings are not confirmed until you receive a confirmation email. Your confirmation email will include a fee estimate and details for payment. **You will receive a confirmation by Friday 24th June 2016. Please do not contact us regarding confirmation until after this date.**

## Our Program

During the vacation care period we offer two separate programs for our senior and junior children. Juniors are those children in kindergarten to year 2 and seniors are years 3-6.

The seniors program will be targeted at the older children and give them more independence when out and about on excursions. Some days they may catch public transport (bus, train or ferry) with staff to their destination.

Children attending the senior excursions are allowed to buy snacks/drinks on their excursions (with the exception of days where lunch is provided or there are no facilities nearby) or they can bring along a packed lunch. Please remember that children attending senior excursions will need to bring along their morning tea as we only have a short time for recess breaks.

## What To Bring

A light carry bag including the following:

- **Hat** – Children will be encouraged to wear sun-safe hats that protect the face, neck and ears when outside. Recommended hats are bucket hats and broad brimmed hats. Baseball caps and visors are not recommended.
- **Comfortable clothes** including **closed in shoes and covered shoulders. No thongs or sandals.**
- **Plenty to drink**
- **Jumper & wet weather gear** (raincoat/poncho)
- **Morning tea and lunch** (unless stated in the program that lunch is included)

## Behaviour

Please be aware that your child's behaviour will determine his/her continuing enrolment. If behaviour in the Centre is deemed to be inappropriate, your child may be **excluded** from the excursions or from the Centre. Our rules are very simple and apply to all children that attend our service.

## Property & Personal Belongings

Centre staff are not responsible for any property (including money) that children bring from home. If it is precious think carefully before sending it.

A reminder that all portable game players (PSP/iPods/iPads/iPhones etc) are only to be used between the hours designated on the day. At all other times of the day, they will be stored in the office. Please label all devices & accessories with your child's name to avoid confusion.

Mobile phones are strongly discouraged. Should you wish your child to bring one in it must be handed to staff on arrival and kept in the office.

## Movies at the Centre

At certain times during the vacation care program, G and PG rated movies may be shown in the centre.

## Weather

At times the weather is unpredictable. Circumstances may arise that require changes to be made to our program on the actual day.

We do try to attend excursions even in the case of wet weather, so wet weather gear is important!

## What We're Doing

- Please take note of **arrival times** as latecomers may miss out – excursions are run to strict schedules.
- Please read the information for each excursion day **carefully** to know what your child needs to bring with them (e.g. morning tea, lunch or other equipment.)
